As part of an effort to clamp down on inappropriate content posted on TikTok, the app introduced a new ban system in January 2021 that forces users to nominate three specific features before they can upload a video and prevent others from uploading those contents as well. The feature has been criticized for a lack of clarity about what qualifies as inappropriate content in its community guidelines.",

The biggest benefit for users is having a place to share their wants, needs and daily activities. Moreover, it has a feature called "FYP" that helps users answer their questions using Tiktok through text messaging. It has won numerous awards: Most Innovative Mobile App (2021), Best Entertainment App (2021) and Best Mobile Culture App (2021).",

In March 2021, the French government requested that TikTok be permanently banned from Apple's App store and Google Play because of its pornographic videos. The Minister of the Interior Christophe Castaner stated that: "the goal is to force them to make changes, notably by using age verification tools." TikTok can be observed as a useful case for understanding the development of "internet culture". It could be said that while other popular social platforms like Twitter and Instagram are popular with users because of their features, it is precisely TikTok's rejection of such features that makes it so popular among young people. This is because they attribute the lack of these features to its ability to focus on the video clips themselves, and thus on the people they can "connect" with. For this reason, TikTok's success can also be attributed to it being an app driven by pure fun and entertainment.",

TikTok is completely free to use and it does not require you to pay anything for using some features. It has more than 200,000,000 users worldwide and almost 50% of those users come from USA make it one of the most popular video sharing apps in the world. There are many website where you can download or share your videos on TikTok easily like Yahoo Video, Vimeo, YouTube etc.",

There have been concerns that the application has attracted pedophiles posing as teenagers to lure children. Others are concerned about the amount of time that young people are spending on this application. In addition, there has been concern about content uploaded depicting self-harming and suicide methods.",

In December 2021, TikTok announced that it was suspending all operations in Japan after a request for a ban by Japan's telecommunications watchdog. The order was due to the fact that the company was not yet registered as a company in the country. Following this development, it is unknown as to whether or not Japan will become one of the countries that has banned the app completely.",

In the past, there were rumors about the possible acquisition of TikTok by any of the major tech companies in the world. In February 2021, it was reported that Microsoft is currently pursuing a software deal with TikTok. The talks should be over soon.",

TikTok was created in order to help users express themselves through visual media such as music and video in a more freeform manner compared to Instagram or Twitter, where users are more confined in how much content they can post without fear of being edited out by their followers. The success of TikTok also lies in its uses as a marketing tool for brands. A study performed by UpStream found that 41% of users on TikTok are engaged with brands and 47% of users follow at least one brand. Some brands are making their own content on the platform such as Coca-Cola, FC Barcelona and others.",
